Class of 2021 Profile

- 868 Students
- 29% Women (exceeds national average)
- $2,000,000+ University Scholarships Awarded
- 160 Honors Community Members

“We get there together!”

- Only public NJ university offering a degree in aerospace engineering
- Students Make a Difference in the World
- TOP 25 Awarding science and engineering doctorates to women, according to the National Science Foundation
- 26 Engineering student organizations foster leadership, learning, and fun
- 1 in 5 Women Faculty Members
- Opening 2018 Richard Weeks Hall of Engineering cutting-edge labs, classrooms, and lecture halls

DEPARTMENTS & MAJORS
- Aerospace Engineering
- Applied Sciences
  - » Packaging Engineering
- Bioenvironmental Engineering
- Biomedical Engineering
- Chemical and Biochemical Engineering
- Civil and Environmental Engineering
- Electrical and Computer Engineering
- Industrial and Systems Engineering
- Materials Science and Engineering
- Mechanical Engineering

RESEARCH CENTERS
- Center for Advanced Infrastructure and Transportation Systems
- Ceramic, Composite, and Optical Materials Center
- Energy Storage Research Group
- Center for Structured Organic Particulate Systems
- WINLAB, Wireless Information Network Laboratory
