

Checklist for Things to Do for Entry into the School of Engineering Fall 2021

1. _____ Placement Tests. Take the test(s) within 30 days of accepting, latest, by **June 6th**.
We are unable to create your schedule for you without the placement test results.

You do NOT have to take the placement exam(s) if

English:

- SAT Verbal score ≥ 650 ; ACT Reading ≥ 32 ;
- AP score ≥ 4 in EngLang/Comp or EngLang/Lit
- Expository Writing credit through Rutgers

Math:

- AP score ≥ 4 in Calculus AB

For more info on exemptions:

<https://oirap.rutgers.edu/TestingandPlacement/Exemptions%20from%20Testing.pdf>

NOTE: You will not be notified separately about your exemption. If you know you are exempt based on the above parameters, you do not need to take the exams. If you have the required scores (SAT, ACT, or AP), and have not submitted them yet, you are still exempt. If you have NOT completed AP exams for exemption, you must take the placement tests. We will honor AP score results received after you have taken the placement exams.

2. _____ Complete the SOE Academic Advising – Class of 2025 online course to obtain access to Webreg.
3. _____ Fall schedule online form: <https://soe.rutgers.edu/class-2025-fall-21-registration-form>. Must be completed by **6/6**, latest. We need information on:
 - Humanities/Social Sciences elective choice(s)
 - AP Credits
 - Other credits (IB, A-levels, etc)
4. _____ Submit Advanced Placement Scores to the College Board (CEEB code 2765). These scores need to be submitted as soon as possible. For a summary of scores and credits:
<http://soe.rutgers.edu/oas/advanced-placement>
5. _____ New Student Orientation (NSO): NSO days are not mandatory but highly recommended. You will learn about important Rutgers services (parking, health, etc.).
6. _____ Complete all actions items under your [myRutgers dashboard](#)
7. _____ Complete all NSO online course modules. Link to the course modules can be found on this page: <https://nso.rutgers.edu/education/>.
8. _____ Make sure your high school has submitted final transcripts for all Dual Enrollment courses. Alternatively, you may have the community college send transcripts directly to our office:

Rutgers School of Engineering
Office of Academic Services – Room B100
98 Brett Road Piscataway, NJ 08854-8058
